SHLOMOFRIDENSON@GMAIL.COM

... pleased to introduce our innovative belt collection, branded Non Detecting Belts, designed to combine premium quality, everyday comfort, and a unique functional advantage highly relevant to today's consumers.

Product Range:

Men's Belts

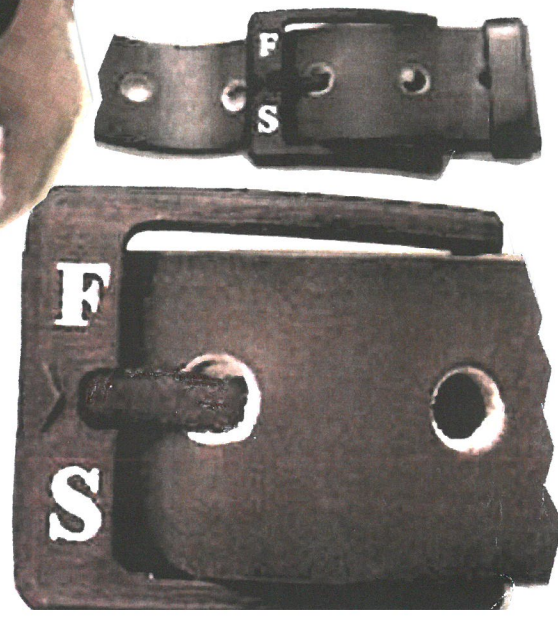

- 38 mm width – Brown
- 35 mm width – Black

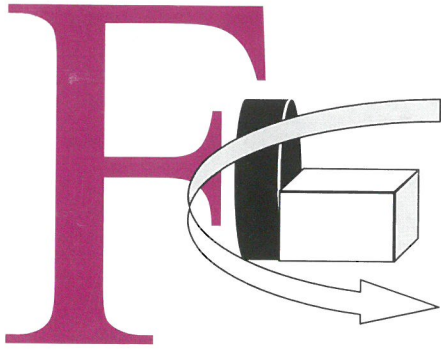

Women's Belts

- 32 mm width – Black

- Made from genuine high-quality leather
- Non-detecting in standard airport security checks – no need to remove the belt during screening
- Uniquely designed with larger-than-standard pin holes, allowing fast, easy, and comfortable fastening – including for customers who find traditional belts less convenient
- Israeli development with manufacturing in India, enabling excellent quality at highly competitive pricing

These belts are particularly appealing to frequent travelers, business professionals, and customers seeking both practicality and refined design. The combination of innovation, comfort, and attractive pricing creates
